

Steam generator BM 460/32

Technical data:

Supply voltage	230V-380V
Boiler capacity	53 l
Boiler heating	32 kW
Boiler pump	0,6 kW
Steam pressure	4,5 bar
Steam outlet	DN 15
Water inlet	DN 15

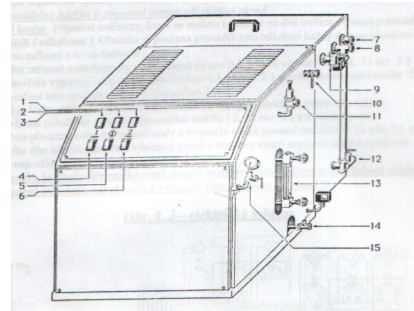

Size:

Width	800 mm
Height	1 000 mm
Depth	600 mm

Accessories

- 1- signal lamp 2 of heater coil
- 2- signal lamp of running pump
- 3- signal lamp 2 of heater coil
- 4- switch 1 of heater coil
- 5- main switch
- 6- switch 2 of heater coil
- 7- condensation circuit line 1/2"
- 8- water supply 3/8"
- 9- overflow of supply and condensation tank
- 10- steam outlet line 1/2"
- 11- boiler check valve
- 12- outlet of supply and condensation tank
- 13- visual level indication
- 14- boiler sludging
- 15- manometer

Transport instructions

The equipment BM460 is usually shipped in assembled state on a pallet with plasterboard overpack.

Transport size: 920*1120*750 mm
